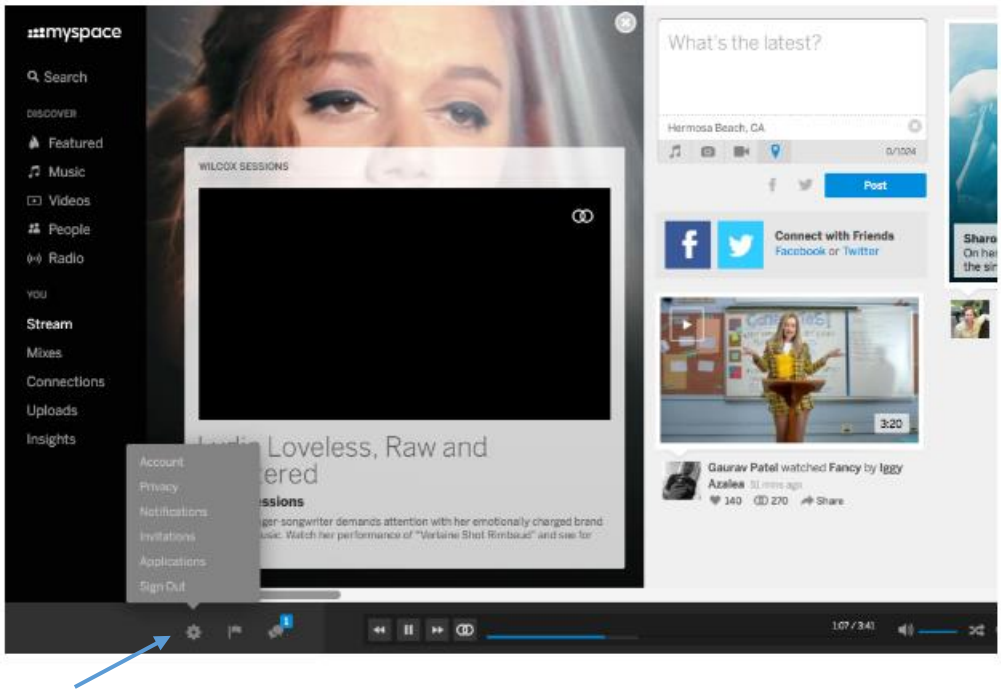
MySpace

Your Profile Settings

Your account settings are located in your footer next to your Messages and Notifications. Click on the Settings Icon to open your account menu options



The settings for your profile include the following items

Account : Edit your Account Information, Change your Email or Password, Account Type, Account Deletion, and more.

Privacy : Change your Profile Privacy Settings

Notifications : Update your email notification settings

Invitations : Invite friends to join Myspace via email, Facebook, and Twitter

Applications : Sync your Myspace account with Facebook and Twitter

Sign Out : Signs you out of your Myspace account

Your settings can be found by selecting the widget in the lower left corner.

It is recommended that you visit each section, make your account and photos private, and that you do not associate other applications with your MySpace account.
