From those undergoing cancer treatments to surgical patients to those with battlefield injuries, military members depend on blood donors every day. Donating

blood is a simple way almost anyone can save up to three lives. The actual donation only takes 10 – 15 minutes, but there are steps that come before and after donation that keep donors and the blood supply safe and healthy. In general, the entire process takes 45 minutes to one hour.

**Programs currently serving Ft. Bragg:**

**BABY BUNDLES**

Baby Bundles deliver essential care items for newborns to active duty families rank E6 and below. The bundle includes essentials such as a blanket, socks, hat, bib, onesie, baby wipes, book, diapers, educational toys, and more. Being a new parent is hard – being a new military parent is even harder. Baby Bundles aim to make the challenges of welcoming the newest member of the military family a bit easier and help offset the financial burden of acquiring basic supplies. Any military family stationed at Fort Bragg with a new infant 0-3 months and is rank E6 or below is eligible. Register for your bundle today at our website.

**CHILD CARE PROGRAMS**

With military spouse unemployment hovering around 25% pre-Coronavirus, low-cost high-quality child care is essential. Before and after school care is essential to allow military spouses the opportunity to pursue educational and career opportunities without the financial constraints of child care.

For information regarding the 2020-21 school year including hours, locations, and payment please call our office.

**FOOD PANTRY**

The Food Pantry serves a vital need in military readiness and family health as 15% of active duty families are food insecure. Our pantry is 100% confidential and is open to all military members, veterans, and their families. Households can visit one time per week. To access this service, please visit our website for information on how to register or call our office with questions.

## **HOLIDAY HEARTS**

Through a partnership with ACS, we are able to provide children of junior enlisted Soldier/Airmen a chance to receive gifts during the holiday season that they would not have otherwise received due to a financial hardship.

## **CHILDREN'S WAITING ROOM**

Children's Waiting Room provides no-cost child watch services for military families during medical appointments at Womack Army Medical Center. We recognize the challenges military personnel and spouses face when trying to attend medical appointments with little ones. This program alleviates the challenges of finding child care during medical appointments and encourages better health and well-being by reducing the number of missed appointments due to lack of child care. For information on hours, location, and how to register please visit our website or call our office.

## **BRAGG WORTHY GOWNS**

Bragg Worthy Gowns offers a wide variety of gowns (available in sizes 0 – 26, no male attire) available for any formal occasion. These gowns are offered for rental at \$10 each to encourage sound financial decision making and help offset costs of attending formal functions for military members and their families. Dresses have to be dry cleaned before they are returned. This service is available for all DoD ID card holders.

## **OPERATION HERO**

Operation Hero is an after-school program provided to military school-age children. A military child moves between 6-9 times throughout their school aged years that is three times more frequent than their civilian counterparts. This program addresses challenges faced by many military children (feelings of isolation, feelings of self-doubt, frequent or long-term deployments by one or both parents and academic difficulties due to frequent moves). The program is offered at no-cost to military families and takes place at schools throughout the region. Call our office for information on locations and hours as these change regularly throughout the school year.

## **OPERATION KID COMFORT**

Operation Kid Comfort provides no-cost personalized quilts and pillows to children with a deployed parent to support and comfort during stressful times. However, the program also provides reassurance to the service member. As one soldier shared, "Operation Kid Comfort ensured that my daughter would not forget me during my deployment." Volunteers cut fabric, print personalized photos, and assemble the quilts to be given to military children. The program is available to children of deployed U.S. Military personnel stationed in North or South Carolina.

## **OPERATION RIDE HOME**

Operation Ride Home provides financial assistance to eligible active duty junior-enlisted military and their families to travel from their duty station, back home to spend time with their families. Reconnecting military families during this special time of year is one small way Operation Ride Home is strengthening military families.

## **OPERATION CAMP**

Each year we provide summer day camp services for military families and civilians alike. For information on hours, location, and pricing please visit our website or call our office.

**Overview:** The Fort Bragg School System is composed of one primary schools (pre-K – 1<sup>nd</sup> grades), one intermediate school (2<sup>nd</sup> – 5<sup>th</sup> grades), five elementary schools (pre-K – 5<sup>th</sup> grades), two middle schools (6<sup>th</sup> - 8<sup>th</sup> grades). Students in grades nine through twelve attend high schools in Cumberland or Harnett Counties. (See below for **Cumberland County Schools**) Each school under the direction of Fort Bragg School system is fully accredited by ADvancED.

**Special Education:** One of the most unique aspects of Fort Bragg Schools is the work done with special needs children. The Special Education Program offers a full continuum of services to include consultation, inclusion, resource rooms, self-contained classes, and homebound instruction. Eligible students receive services from Speech/Language Pathologists, Occupational Therapists, Physical Therapists, and Psychologists. An extended school year is available to students who demonstrate significant regression and recoupment issues.

**Fort Bragg School Board:** Being a school board member is a serious responsibility but one that offers significant rewards - the primary reward being the opportunity to actively participate in the process of educating our children. However, unlike the school boards in the Local Education Authority (LEA), DDESS school boards act purely in an advisory capacity, providing input to the Superintendent and administrators in the areas of fiscal, personnel and educational policies, procedures and programs. The DDESS school district superintendent makes final decisions on matters affecting the school district.

**Volunteers** provide services and are also offered opportunity to learn first-hand about excellent programs in the schools. For more information about volunteering contact a school principal nearest you.

You can do this by calling **1-800-538- 9552**, or by visiting the main ID Card Facility in the Soldier Support Center (SSC) on the 1<sup>st</sup> floor and can be reached by calling the appointment line @ 643 – 2737.

**STEP 2**  
**Enroll in TRICARE**

Eligible beneficiaries may call **1 – 800 – 444 - 5445** to request an enrollment packet or go online [www.tricare.mil](http://www.tricare.mil)

**TRICARE OPTIONS**

**TRICARE Prime:** Active-Duty Family Members, Retirees and their Families who are not Medicare eligible may enroll in Prime. Active-Duty Family Members are automatically enrolled after filling out the enrollment form. Active-Duty family members do not have an enrollment fee. Retirees and Family Members pay an enrollment fee to receive healthcare. These rates are subject to change each fiscal year.

**TRICARE Select replaced TRICARE Extra and Standard as of Jan.1, 2018. Please see website for more info.**

**TRICARE for Life (TFL)** is Medicare-wraparound coverage for TRICARE-eligible beneficiaries who have Medicare Part A and B. For more info go to <http://www.tricare.mil/Plans/HealthPlans/TFL.aspx>

**STEP 3**  
**CLINIC ENROLLMENT**

Active duty service members are assigned to primary care clinics based on their unit designation. Family members can be assigned to an on-post clinic or off-post medical home after they enroll in Tricare Prime. Our primary care clinics are your entry point into the healthcare system. You are strongly encouraged to visit your primary care clinic for clinic

orientation and in-processing.

## **MEDICAL RECORDS** **Areas of Responsibility**

The Womack Outpatient Medical Records maintains the outpatient medical records for all beneficiaries who receive their care in Womack Specialty clinics. If you receive your medical care at any of our Outpatient Clinics in the area, your Outpatient Medical records are maintained at those locations.

### **Requesting Copies of Records**

Outpatient Medical Records are retired 3 years after a patient's last recorded clinic visit. Patients must show their identification card when requesting a copy of their records. The Privacy Act and HIPAA prohibits parents from picking up the medical records of their children who are over the age of 18 without written permission and an identification card.

### **Request for Transfer of Records**

Records may not be hand carried by patients according to current Laws and Department of Defense Policy. If you require a record transfer, contact your servicing medical records section for instructions on how to transfer your records to the new location.

## **SCHEDULING APPOINTMENTS**

To make a **primary care appointment**, patients should call the central appointment line at 907 – APPT (2778). Central appointment line hours are 0700 – 1700 week days. They can also call their assigned clinic, or visit [www.tricareonline.com](http://www.tricareonline.com) for appointments.

To book a **specialty appointment**, you must first receive a referral from your Primary Care Provider, then call 1-877- TRICARE.

To **cancel** an appointment call 907 – CNCL (2625). If you have forgotten your appointment date, you can also call this line to hear upcoming appointments up to 45 days in advance.

## **TRICARE APPOINTMENTS ONLINE**

All primary care appointments available over the phone are also available online. Just visit [www.tricareonline.com](http://www.tricareonline.com) and register. Once you're logged in, click "Appointments" then select a "Visit Reason" followed by "View Available Appointments." You can view all available appointments for your primary care manager and select one that meets your needs. You can schedule appointments at your convenience, without worrying about being put on hold.

## **ARMY MEDICINE SECURE MESSAGING SERVICE**

Secure messaging, also sometimes referred to as Relay Health, is web-based service that gives providers and patients the ability to communicate securely online. The interactive website allows you to initiate a consultation, receive preventive care reminders, send a note to the provider's office, request prescription renewals and refills, request lab or test results, and request appointments. Unlike a phone conversation, it also provides an audit trail so patients and providers can view the entire message history. You can sign-up for secure messaging at your primary care clinic during your visit. It only takes a few minutes and it can potentially save you hours of time in the future.

## **ACCESSING CARE AFTER HOURS NURSE ADVICE LINE (NAL)**

All TRICARE eligible patients may call the NAL 24/7 by calling 1-800-TRICARE, Option 1. There is no cost to patients. They can help you make informed decisions about self-care at home or when to see a health care provider.
