Cookie Blocker Extensions

Cookie blocker extensions can assist in managing cookies and the ad sites they stem from.

Blockers in bold are the recommended extensions.

Firefox:

- BetterPrivacy
- **Privacy Badger**
- Cookies Manager+
- **Self-Destructing Cookies**
- **Ghostery**

Chrome

- Cookie Manager
- **Privacy Badger**
- Keep My Op-Outs
- **Ghostery**
- Disconnect

Internet Explorer

- Adblock Plus – Be aware that this company has recently started allowing ad sites to pay to allow their cookies to be excluding from cookie management

Safari

- Disconnect
- **Ghostery**
