Your photos

- Hide your photos from site-wide searches on flickr.com?
- Hide your photos from searches on 3rd party sites that use the API, including Yahoo! Image Search?

Your profile

- Hide me from site-wide searches on flickr.com and on 3rd party sites that use the API?

Selecting this option means that you (your Flickr screen name, real name, or email address) won't be found by people searches or the “find your friends” feature. It also hides your buddy icon from appearing on any contact lists.
