

Survival, Evasion Resistance and Escape (SERE) Course (PHASE II SFQC)

(19 DAYS)

ATRRS SCHOOL CODE 331

COURSE CODE: 3A-F38/12-F27

PURPOSE: To train selected personnel on Code of Conduct, Survival, Evasion, Resistance and Escape. This SERE Course is only for personnel holding an ARSOF MOS as per USAJFKSWC command policy. **Exceptions must be predetermined** by the Commanding General, USAJFKSWCS or his designated representative. Level C training is for Soldiers whose position, MOS, or assignment has a high risk of capture and whose position, rank, or seniority makes them vulnerable to greater than average exploitation efforts by a captor in governmental and non-governmental environments. Governmental examples include personnel who operate forward of the FLOT such as Special Forces, pathfinders, selected aviators, flying crewmembers, and members of Ranger battalions during armed conflict or peacetime. Non-governmental examples include personnel who have a high risk of being taken hostage by terrorists. Examples include Special Forces, selected military attachés, members of Ranger battalions, and anyone in special support missions near conflict areas. SERE training will have prepared them to resist the enemy's attempts at exploitation, to escape from captivity and to RETURN HOME WITH HONOR.

SCOPE:

CODE OF CONDUCT APPLICATIONS IN WARTIME, GOVERNMENTAL AND NON-GOVERNMENTAL ENVIRONMENTS
GENERAL SURVIVAL SKILLS
EVASION PLANNING
RESISTANCE TO EXPLOITATION & POLITICAL INDOCTRINATION
ESCAPE PLANNING

PRODUCT PRODUCED: Personnel are intensively trained in support of the Code of Conduct; survival field craft with application to worldwide environments; and the techniques of evasion, resistance to exploitation, and escape from captivity.

COURSE PREREQUISITES: Active and Reserve component personnel of the Armed Forces of the United States specified by DOD Directive 1300.7 and AR 350-30 to receive Level C Code of Conduct/SERE training.

REPORTING INSTRUCTIONS: Because some students will be coming from distant stations (TDY Students), and other students are already stationed at Fort Bragg (local students), some of the following will not apply equally.

1. **Students must have all their affairs in order prior to in-processing.** There will be no time allotted for students to conduct non course activities. Students will not be allowed to use or have access to any means of communications outside of the SERE-C course.

2. TDY students arriving at Fort Bragg should register at Moon Hall NLT Sunday evening, the day before the course start date. Moon Hall is located in building D-3601; telephone: DSN 236-7700 or Commercial (910) 396-7700. Moon Hall is for billeting only. Course cadre will not be present at check-in. TDY students must provide a copy of orders to the Moon Hall Receptionist at check-in. In order to expedite checkout, management suggests paying all expenses the night before checkout to avoid checkout lines. Those students who settle their accounts the night before check-out should inquire, at that time, about express check-out for course students. TDY students staying overnight at Moon Hall should be checked out of Moon Hall prior to 0530, hours on the first day of class unless otherwise specified. TDY personnel must make their own reservations at Moon Hall for any overnight stays required at the completion of the course. If no rooms are available at Moon Hall at the end of the course, a statement of non-availability will be issued.

3. All students report, with their gear and all required paperwork, outside in front of USAJFKSWCS Bank Hall, center ramp, Building D-3915, on Monday morning NLT **0600** to be transported to Camp Mackall. The USAJFKSWCS Bank Hall, Building D-3915 is bordered by Zabitosky Road, Ardennes Street, Merrill Street, and Bastogne Drive.

4. Student POV parking. SFQC students should not drive POVs. Arrangements should be made to be dropped off prior to 0600 at Bank Hall and picked up once training has been completed. There are no provisions for local students to park their vehicles at Bank Hall. TDY students driving POVs who cannot make other parking/storage arrangements and intend to leave their vehicles in the Bank Hall parking lot must park their vehicle in the furthest lane back from the building, near the back side of the JFK Chapel. DO NOT park a POV in any of the closer parking lanes. Vehicles that are parked, long term, in any of the closer parking areas may be towed at the owner's expense. The SERE committee or SWTG will not be responsible for any damage to vehicles or stolen items left in vehicles.

5. No transportation will be provided from Moon Hall to Bank Hall, Building D-3915. Students will bring all bags to in-processing. You will board military transportation immediately upon its arrival, and there will be no time to return to Moon Hall to pick up gear.

6. **TDY students who complete training should make travel arrangements for the day after course end date.** TDY students who are driving POVs back to their home stations **should not drive** until the next day after returning to Ft Bragg due to major safety considerations.

7. No mail will be issued or received during the course and no phone calls will be authorized.

8. **All students will report with the following mandatory paperwork and packing list. Failure to report with the following items will result in a prerequisite failure, and the student will not be allowed into the SERE-C course.**

a. Orders. All students will have attachment orders. **Attachment orders for local students from Fort Bragg will be format 400/440 orders (Memorandum Format Attachment Orders) from the student's Unit. TDY students attachment orders will be DD 1610 orders from DTS.** Government quarters are provided and field conditions apply. Students will have access to the dining facility. Attachment orders will also contain the specific

class number and dates of the course. Orders will be dated within 30 days of the course start date.

b. Physical. Service members will hand carry their SERE physical (DD2808, DD2807-1 and EKG) current within 2 years with the U. S. Army John F. Kennedy Special Warfare Center and School (USAJFKSWCS) or U. S. Army Special Operations Command (USASOC) surgeon approved SERE stamp, for the purpose of attending SERE School. Soldiers assigned to USASOC Units may obtain the SERE physical stamp through their unit medical officer. Soldiers assigned to non-USASOC units whose groups do not possess the stamp must submit their physicals to the 1st Special Warfare Training Group S-3 MED NCO for approval NLT 45 days prior to start date.

Soldiers requesting waivers for disqualifying medical conditions will submit their entire physical examinations along with a memorandum signed by the Soldier requesting the medical waiver (NLT 30 days prior to class start date) through the 1st Special Warfare Training Group S-3, Medic (where the process is initiated). The 1st Special Warfare Training Group Medic is:

Commander
1st Special Warfare Training Group (A) S-3
ATTN: (Medical NCO)
AOJK-GP-GC
Fort Bragg, NC 28310
Fax (910) 432-0369 Commercial / 239-0369 DSN Attn: Medical NCO
Voice: (910) 432-3566 (Medical NCO)

c. Security Clearance Verification. All students attending SERE must possess a minimum of an interim SECRET Security Clearance to be accepted for attendance. Students must have a memorandum verifying their Security Clearance level from their battalion or higher security manager **and be dated not more than 30 days prior to the start date of the SERE class they are attending.**

d. DA Form 705 (PT test) or equivalent evaluation, current within 30 days of in processing. All students must attain a score of 180 points on the Army Physical Fitness Test (APFT), with at least 60 points per event.

e. Annual combat water survival Swim test certification (CWSST) within one year of course attendance, successful completion verified by a memorandum signed by student's company command or battalion operations officer dated within 30 days of reporting to SERE. CWSST is not needed for Marines, Special Forces-qualified Soldiers, or Ranger-qualified Soldiers. Non-swimmers do not qualify to attend SERE High Risk Level C training

f. Land Navigation proficiency memorandum. The land navigation training should include; Lensatic compass familiarization, terrain association, map reading, techniques utilizing terrain contouring, as well as participation in a basic land navigation course. The memorandum must be dated not more than 30 days prior to the start date of the SERE class they are attending.

g. Students attending SERE training are required to comply with Army grooming standards.

This clothing and equipment list Dated: **1 DEC 2018** supersedes all previous packing lists for SERE High Risk Level "C" clothing and equipment lists.
