1. **COURSE DATA**

   a. **PURPOSE.** Provide USSOCOM units with the information necessary to prepare students for the ASOT Level III Course.

   b. **SCOPE.** This memorandum covers the administrative requirements for the ASOT course. This document is UNCLASSIFIED. This memorandum facilitates the proper preparation of the individual, his equipment, orders, and other requisite information for attendance to the course. This document will eliminate the systemic problems typically encountered by the students during each class.

   c. **GENERAL.** A/6/1 SWTG(A), ASOTC Detachment East and West conduct the ASOTC and serve as Subject Matter Experts (SME) on ASOT tactics, techniques and procedures.

   d. **COURSE INFORMATION.** The ASOTC is a classified course of instruction based at Fort Bragg, NC and Joint Base Lewis- McChord (JBLM), WA, and is conducted throughout the continental United States (CONUS).

2. **PREREQUISITES**

   a. **STUDENT PREREQUISITES:** Students must meet the following prerequisites prior to attending the course and report to the course with the Certification for Attendance to the ASOTC signed by the first O-5 in chain of command and unit ASOT Manager (this is a memorandum for record that certifies that the individual meets the prerequisites prior to attendance). If the individual does not meet the prerequisites then a waiver must be sent through the service to USSOCOM for approval (USSOCOM has not delegated waiver authority and maintains it at the USSOCOM SOJ3X). The selection prerequisites are (as per 525-5 dtd 19 AUG 2004):

The combat operations have given ASOT exposure to the individuals and operational context. (IAW the waiver approval dtd 14 September 06: USASOC and NAVSPECWARCOM will report to USSOCOM the number of personnel attending the ASOTC under the authority of this waiver. Report the information in conjunction with the ASO manning report due on the first day of each quarter.)

(i) Graduates will incur a service remaining obligation in accordance with service component personnel management regulation (as per USSOCOM 525-5).

The only authorized military clothing is military boots/military GORETEX or similar garments used for rural training. Students should not wear military PT clothing.

5. **GROOMING STANDARDS.** Students are authorized relaxed grooming standards and will comply with A Co, 6th BN, 1st SWTG. Students will be issued a copy of this policy during course in-processing.

6. **FUNDS.**

   a. Students will report to the ASOTC with an active U.S. Government Corporate Credit Card with a $15,000.00 Credit Limit and a $2,000.00 Cash Advance Authorization.

7. **TRAVEL ORDERS.** Students stationed at Fort Bragg and JBLM will require travel orders issued by their parent unit for various off-post exercises. Students not stationed at Fort Bragg or JBLM will require travel orders covering the entire course period. (See Enclosure 4: Orders Preparation Guide for Fort Bragg, NC and Enclosure 5: Orders Preparation Guide for JBLM, WA).

8. **BILLETING.** Use of government billeting is not directed by ASOT. Units may select to have students utilize government billeting if sufficient billeting is available. **At no time should a student sign a lease for the duration of the course.**

(4) When traveling to training locations outside of the Fort Bragg or JBLM areas, storage of personal gear is authorized at the ASOTC facility. The ASOT detachment will be responsible for the stored equipment and will safeguard student possessions.

(5) Dual Lodging. Dual lodging is not required while in attendance at ASOT. As per the JFTR para U4135 "Dual lodging exists to cover lodging expenses that arise because of unexpected circumstances beyond the traveler’s control during TDY travel. Dual lodging must be approved after the fact by an amended authorization/order or by the approving official on the travel voucher. Any period of dual lodging reimbursement is limited to a maximum of 14 consecutive days, with extensions beyond 14 consecutive days only if approved by the Secretarial Process." The ASOTC training schedule will be given to students during the first day so that there are no "unexpected circumstances" that will require the student to have dual lodging.

9. **TRANSPORTATION**

(1) Rental cars. Rental cars are necessary for TDY student transportation in and around Fort Bragg/JBLM. During specific portions of the ASOTC, the ASOT detachment will provide rental vehicles to students stationed at Fort Bragg/JBLM to support training when feasible. However, there may be occasions when students stationed at Fort Bragg/JBLM may be required to rent vehicles during isolated phases of the course as directed by the course Detachment Commander/NCOIC. All students may be required to purchase fuel to maintain course issued rental vehicles due to the unavailability of adequate number of government fuel cards.

(2) Compact rentals cars will suffice for students during the majority of the year. However, during classes 001, 002, 101, 102, 005, 006, 105 and 106 weather conditions may require students to upgrade to an SUV to safely navigate the rural environment. This will be determined by the Detachment Commander/ NCOIC and will issue an MFR to each student to substantiate the expense.

(3) Airline tickets. Parent units must provide personnel with airline tickets to and from the course location as per TDY travel orders. In addition, during selected practical exercises, students are required to purchase round-trip airline tickets from Fayetteville, NC or Seattle, WA to CONUS locations as directed by the course OIC/NCOIC. These locations will be presented to all students during in-processing.
(4) Special Conveyances. All students are required to use taxis, buses, subways and other such conveyances during all TDY phases of the course when necessary to meet course requirements.

10. INCIDENTALS/PROPORTIONAL RATES. During phases of the course that are conducted in the vicinity of Fayetteville, NC and Tacoma/Olympia, WA, students stationed at Fort Bragg or JBLM are also required to visit and conduct activities at specified establishments incurring costs. Therefore it’s required for these local students to be authorized partial per diem to cover these incurred expenses. Partial per diem is restricted to eighteen days, over two exercises per course.
